# Why Theralogix?

## NSF® International Dietary Supplements Certification

Contents Tested & Certified

Theralogix is committed to providing only the highest-quality supplements. ProCerv HP is tested and certified by NSF International. NSF is a not-for-profit organization that is the world leader in standards development and product certification for public health and safety. NSF has implemented the highest quality control standards in the supplements industry. The NSF mark is your assurance of a dietary supplement's content accuracy, purity, and freedom from contaminants.

## Manufactured in an NSF-Registered Facility

The facility where ProCerv HP and other Theralogix nutritional supplements are manufactured is registered with NSF and is in compliance with current Good Manufacturing Practices (cGMPs). These guidelines define the manufacturing processes, procedures, and documentation that assure the identity, strength, composition, and quality of the product.

## Medical Advisory Board Oversight

The leading academic physicians and scientists of the Theralogix Medical Advisory Board meet regularly to oversee all product formulations. You can be sure that ProCerv HP is safe and reflects ongoing review of the most current scientific evidence.
